Dear Hank:

Attached is cost information on SP-1913 and SP-1914 in Mr's area.

I don't believe they can be used for anything but information since they are not final statements.

Incidentally, I checked on the square situation on our contracts and there appears to be no problem this year. Most of the contracts requiring square are "no year funds", and square have been determined on the other contracts.

Yours very truly,

Sam
